The center of this form gives
 You many options available for
 volunteering—**BEFORE**,
DURING and **AFTER** the event.

Traditionally, this group was founded by staff & parents of Whitman Middle School students. They wanted to assist with their children's education which was limited due to budgetary lack of funds. Unfortunately, this lack of funds is something that has also become a tradition.

Presently, this fundraiser is under the leadership of Whitman Middle School Principal, Mr. George Ferro and many of the talented teachers & staff in the school system. They can't do this alone! It takes support from the community and over 300 ADULT volunteers to pull this event off.

It's not run or staffed by the students. Although, there are many opportunities for the students to volunteer—**BEFORE** and **AFTER** this event. This is where we, the adult volunteers, come in.

Proceeds from the Haunted House go directly toward our children's education. Please make time in your schedule to volunteer your time—**BEFORE**, **DURING** or **AFTER**. It's an investment in our children's future.

Your participation will ensure a successful event.

Your children thank you!
